Garbage separation and disposal instructions

- Uonuma City (all areas)
- Minami-Uonuma City (Yamato area)

Disposal times by 8:00 a.m. on the day of collection
Do not take out garbage except on a collection day.

- Leaf your garbage at the designated place in time to be collected by the city garbage collection truck. Refer to the “Household garbage calendar” for garbage collection days.
- To dispose of oversized garbage, a reservation is needed.

Burnable garbage

- Kitchen waste
  - Drain away as much liquid as possible.

- Disposable diapers
  - Dispose of any fecal waste in the toilet.

- Toys
  - Made of plastic, wood, etc.

- Charcoal briquettes
  - Other charcoal substances
  - Douse with water before disposal.

- Dirty recyclable items
  - Paper, plastic packaging that cannot be cleaned

- Reusable food containers
  - Plastic products such as wash basins, CD, DVD cases

  - No.1 garbage bag 10 L 20 bags 320yen
  - No.2 garbage bag 20 L 20 bags 460yen
  - No.3 garbage bag 45 L 20 bags 640yen

- Non-burnable garbage (green bags)
  - No.4 garbage bag 25 L 10 bags 200yen
  - No.5 garbage bag 45 L 10 bags 400yen

- Do not mix garbage types!!
  - Due to the risk of explosion during incineration, do not place any poisons, agricultural chemicals, gas cans, etc. in the garbage.
  - Seat cushions (long type), blankets, futons, and curtains are considered oversized garbage even though they are made of cloth.

- When disposing of burnable garbage, use the designated garbage bag (blue).

- Non-burnable garbage
  - LED lamps: Note: Use No.6 large size garbage bag for all fluorescent lights (tubes).
  - Button type batteries, rechargeable batteries and mobile phones are not accepted, please contact the store of original purchase or place them in a recycling box at an electrical appliance retailer, etc.
  - Separate any wires and cords. If they are included with the machines, they may become entangled and cause a mechanical breakdown. * Use No.6 large garbage bags and make a reservation for the collection.

- Place them in the specified non-burnable garbage bags (green).

- Text continues...
Place the following items in a separate bag. 1 PET bottles, 2 White plastic trays, 3 Other plastic containers
